

A: I want you to take this

B: Why?

A: It will help.

B: But I don't want it.

A: Now, please. Cooperate.

B: But I have been.

A: So, keep it up.

B: I can't. I'm sick of it.

A: Do it!

B: No!

A: Is that right?

B: Yes, I think so.

A: Are you sure?

B: Sure, I'm sure.

A: I wish I had as much confidence as you.

B: I don't know what you mean.

A: I mean I'm just not as certain.

B: Everything will be okay.

A: So?

B: Take a deep breath and begin.

A: You first.

B: No, you go ahead.

A: Really?

B: Sure. I'll follow you.

A: Now?

B: Now.

A: 158.

B: 64.

A: 96.

B: 172.

A: 172.

B: What?

A: 172.

B: Can't be.

A: It is.

B: It won't work.
