2022/23 Season

Something for everyone

Matilda

When an exceptional little girl is born into a family that does not value intelligence, honesty, or kindness, it will take some cleverness with a side of superpowers to put things right. Matilda inspires her classmates and even her teacher, Miss Honey, to stick up for themselves and change the narrative of their stories. After all, "sometimes you have to be a little bit naughty."

Make Way for Ducklings

Mr. and Mrs. Mallard are exhausted from their search for a starter home when they land in the Boston Public Garden as a potential home. A classic story for all ages, this New England premiere musical celebrates family, Boston, children and the beings who make an unfamiliar place a home.

Bud, Not Buddy

Based off the Coretta Scott King award-winning novel by Christopher Paul Curtis, Bud, Not Buddy, follows the tale of 10-year-old Bud Caldwell. Named after "a flower-to-be...a little fist of love waiting to unfold and be seen by the world," Bud goes on a quest to find his father and blossoms when he finds family in a jazz band. An epic adventure full of dreams, jazzy tunes and heart.
